## VINTAGE & RARE SPIRITS

PRICES LISTED FOR 1oz / 2oz POUR

### Willett Straight Kentucky Bourbon 11yr

126.8pf · CASK STRENGTH · \$25 / \$50

*Bottled from a single barrel, picked by Market Square Liquors from Tallahassee FL, Willett produced 131 bottles of this expression. It was bottled from a single barrel sourced by Willett and it only yielded 131 bottles*

### Fighting Cock Kentucky Straight Bourbon 8yr

103pf · BOTTLED 1997 · \$25 / \$50

*Heaven Hill's Bardstown distillery burned down in 1996, destroying much — but not all — of their stock. This bourbon was bottled the next year with what little remained*

### Old Fitzgerald Prime Kentucky Straight Bourbon

80pf · BOTTLED 1995 · \$35 / \$70

*A wheated bourbon distilled at Stitzel-Weller, which closed in 1992. This is some of the last whiskey produced by the distillery owned by Pappy Van Winkle*

### James E. Pepper 15yr Rye

91.3pf · BOTTLED 2013/14 · \$35 / \$70

*An old label revived by a gentleman from Georgetown, the rye itself comes from MGP in Indiana. James E. Pepper coined the term Old Fashioned for a bittered sling cocktail*

### Old Charter Bourbon 10yr

86pf · BOTTLED 2010 · \$20 / \$40

*One of the dinosaur brands that originated prior to Prohibition, this relic is among the last 10yr age-stated expression that disappeared as the bourbon boom took hold in 2013/2014.*

### Suntory Whiskey Royal

86pf · BOTTLED 1980s · \$35 / \$70

*Bottled during Japan's fourth generation of distillers, this is an excellent example of masters honing their craft before the reverence that followed in today's market for Suntory brands. Peak back in time at their brand development and distilling prowess*

### Old Weller Antique

107pf · BOTTLED 2008 · \$35 / \$70

*Pappy's favorite drinking whiskey lost the semblance of its original label shortly after production of this bottle and its age statement a few years later. This is the same mashbill as Pappy Van Winkle and exhibits all of the wonderful flavors we expect from a wheated bourbon*
